Course Overview

This qualification is designed to support the Electrical Apprenticeship and provides the apprentice with the skills and knowledge to satisfy the Certificate III in Electrotechnology Electrician qualification.

Course Content

The course consists of 17 core units of competency, 2 stream core units of competency and 1 elective unit of competency. Some first year units receive direct credit if a Certificate II in Electrotechnology (Career Start) Pre Apprentice Electrical UEE22007 qualification has been completed. All units of competency must be successfully completed and the apprentice deemed competent in order to attain a certificate. An Unrestricted Electrical Worker's Licence is granted upon successful completion of the apprenticeship and the 66 capabilities identified by Energy Safety and covered in the Certificate.

Course Intake

The CET accepts course enrolments throughout the year, with courses commencing **monthly**, subject to student numbers. Please contact our friendly College administration team for specific course commencement dates.

Course Duration

Generally, this course is completed over three years.

Course Delivery

Upon course registration employers can select from weekly - Day release or two week block release training delivery. To assist with administration of this course, once selected, the delivery option must be maintained for the calendar year.

Entry Requirements

The apprenticeship agreement must be signed through a New Apprenticeship Centre (NAC) and registered with the ApprentiCentre. 'On the job' training must be provided by a company with a licensed 'A' grade electrician.

Skills Recognition

To assist CET in placing you in an appropriate class **we must be informed if you have any prior qualifications or experiences** that may lead to a reduction in your training at the College.

Skills Recognition is a process that can give you credit for modules/ Units of Competency associated with your course. Our Skills Recognition process benefits students who have achieved prior training skills or knowledge and applies to Skills Recognition, Recognition of prior learning (RPL), Credit Transfers and Advance Study or Exemption.

Should you believe you are entitled to any of the above mentioned, please forward a certified or original copy of your previous records or supporting evidence to the College of Electrical Training prior to commencing your course.

Fees / Austudy

The College of Electrical Training attracts the same financial support from Government as any other registered training provider ensuring that there is no cost disadvantage to employers or apprentices. Fee reductions are available for students who are able to provide approved concession on enrolment.

Learners enrolled in full-time courses are eligible to apply for means-tested Department of Training and Workforce Development, Employment and Workplace Relations Allowances. Applications for allowances are to be made through Centrelink.

Fee Waiver

Fees may be waived for individual students who are able to demonstrate that payment of fees would produce financial hardship. The College Fee Waiver Policy covering "Financial Hardship" is in accordance with the WA Department of Training and Workforce Development guidelines.

Cancellation Policy

8 days or more prior to course commencement	100% fee refund
2 to 7 days prior to course commencement	90% fee refund
1 day or less prior to course commencement	Nil fee refund

Fees — Current @ 1st January 2012

All fees must be paid prior to course commencement. Below fees are as set by the WA Department of Training and Workforce Development:

Fees:

Category of enrolment	Unit Fee	Semester Cap
Non concession student:		\$606.00
Band1, less than 15 hrs	\$16.00	
Band2, between 15 & 24 hrs	\$34.00	
Band3, between 25 & 50 hrs	\$66.00	
Band4, more than 50 hrs	\$128.00	
Concession student:		\$303.00
Band1, less than 15 hrs	\$8.00	
Band2, between 15 & 24 hrs	\$17.00	
Band3, between 25 & 50 hrs	\$33.00	
Band4, more than 50 hrs	\$64.00	

Course fees may be exempt for unemployed people. Please contact the College for further information.

+ additional Resource Fee added to each Unit of Competency
+ additional \$21.50 Admin Fee added to annual fees

Fees may vary with course hours

Certificate III in Electrotechnology Electrician

Unit	Title	Hours
UEENEEC020B	Participate in Electrical work and competency development activities	40
UEENEEE001B	Apply OHS practices in the workplace	18
UEENEEE002B	Dismantle, assemble and fabricate electrotechnology components	36
UEENEEE003B	Solve problems in extra low voltage single path circuits	36
UEENEEE004B	Solve problems in multiple path d.c. circuits	36
UEENEEE005B	Fix and secure equipment	18
UEENEEE007B	Use drawings, diagrams, schedules and manuals	36
UEENEEE008B	Lay wiring/cablings and terminate accessories for extra low voltage circuits	36
UEENEEE033B	Document occupational hazards and risks in electrical work	18
UEENEEG001B	Solve problems in electromagnetic circuits	54
UEENEEG002B	Solve problems in single and three phase low voltage circuits	72
UEENEEG003B	Install wiring and accessories for low voltage circuits	72
UEENEEG004B	Install low voltage electrical apparatus and associated equipment	72
UEENEEG005B	Verify compliance and functionality of general electrical installations	36
UEENEEG007B	Select and arrange equipment for general electrical installations	90
UEENEEG008B	Find and repair faults in electrical apparatus and circuits	72
UEENEEG009B	Develop and connect control circuits	54
Stream Core Competencies		
UEENEEC003B	Provide quotations for installation or service jobs	18
UEENEEK042A	Participate in environmentally sustainable work practices	18
Elective Competency		
UEENEFF002B	Lay and connect cable for multiple access to telecommunication services	72

Registration Form

I wish to nominate the following employee for enrolment in the **Certificate III in Electrotechnology Electrician** course.
NOTE: Nominated students must be registered apprentices or probationary apprentices to attract government funding.

Nominee Details
