Course Overview

Ideally, this course attempts to eliminate electrical incidents through providing knowledge, raising awareness and introducing safe work practices into the electrical workers daily routine. It also provides a genuine means by which an employer of electrical workers can be assured they are meeting their 'Duty of Care' responsibilities.

This training course is recognised by the National Electrical and Communication Association of WA.

Course Content

- ✓ Risk Assessment
- ✓ JSA's in the Workplace
- ✓ Personal Protective Equipment
- ✓ Supervision Requirements
- ✓ Isolation and Tagging procedures
- ✓ Testing of Installations and Equipment

Pre-Requisites

Students need to hold a current Unrestricted Electricians Licence or a current Electrician in Training Licence.

Course Duration

8 hours

Course Delivery

CET Instructors with extensive industry and teaching experience deliver this exciting Prevention of Electrical Incidents Training course.

How to Enrol

Please complete and return the attached registration form to the CET.

Course commencements are subject to numbers.

This course is only run on demand so therefore it will be subject to numbers. Please complete and return the

registration form to register your interest, once we have enough people interested in the course we will schedule a date.

Course Fees

Subsidised course fees may be available to persons currently working in the Building and Construction Industry or unemployed persons who have worked in that trade in the previous 6 months.

The fee subsidy does not apply to persons working in the security and mining industries and Government employees.

To be eligible for subsidised course fees students must complete and sign the 'Fee Subsidy Declaration' on the course registration form and Work History Form.

Cancellation Policy

8 days or more prior to course commencement 100% fee refund

2 to 7 days prior to course commencement 90% fee refund

1 day or less prior to course commencement Nil fee refund

Skills Recognition

Our skills recognition process benefits students who have achieved prior training skills or knowledge and applies to Skills Recognition, Recognition of Prior Learning (RPL), Credit Transfer, Advanced Study or Exemption.

If you believe you are entitled to any of the abovementioned we encourage you to fill out the Application Form for Skills Recognition, which is available from our administration team. Your application will be assessed on an individual basis.
