## Course Overview

This short course is designed to update the practical skills of qualified electrical workers and 4<sup>th</sup> Year Apprentice Electrical Mechanics in the current testing procedures. This is in terms of Western Australian Electrical Requirements and in compliance with Australian Standards.

The course requires the student to demonstrate competence in completing practical tasks involving fault identification and producing the required test results whilst adhering to current standards and requirements.

## Learning Outcomes

- Develop a clear understanding of Electrical Legislative Testing Requirements
- Understand and completely use Electrical Testing Equipment to test:
  - Electrical Appliances & Equipment
  - Electrical Installations

## Entry Requirements

To gain entry to this course students must be either an apprentice Electrical Mechanic or qualified electrical worker holding an "A" Grade Electrical Mechanic's license.

## Certification

Upon successful course completion students are provided with a Certificate of Completion.

## Course Attendance and Duration

Full time - 4 hours

## Skills Recognition

Our skills recognition process benefits students, who have achieved prior training skills or knowledge and applies to Skills Recognition, Recognition of Prior Learning (RPL), Credit Transfer, Advanced Study or Exemption.

If you believe you are entitled to any of the abovementioned we encourage you to fill out the Application Form for Skills Recognition, which is available from our administration team. Your application will be assessed on an individual basis.

## Course Materials

Students are required to obtain the following materials or reference during this course (available for purchase at the CET):

- AS/NZS 3000:2000 - SAA Wiring Rules and all amendments
- AS/NZS 3017:2001 - Electrical Installations - Testing guidelines

## Disclaimer:

**Standards Australia are subject to change without notice and all students should check for the latest version before purchase.**

## How to Enrol

Complete the enclosed course registration form and return the form to the College of Electrical Training together with your payment of course fees.

## Course Fees

Subsidised course fees may be available to persons currently working in the building and construction industry or unemployed persons who have worked in that trade in the previous 6 months.

The fee subsidy does not apply to persons working in the security and mining industries and Government employees.

Please refer to the course registration form for current subsidised and non-subsidised course fees.

To be eligible for subsidised course fees students must sign the 'Fee Subsidy Declaration' on the course registration form.

## Cancellation Policy

8 days or more prior to course commencement	100% fee refund
2 to 7 days prior to course commencement	90% fee refund
1 day or less prior to course commencement	Nil fee refund
