Course Overview

This course is an **extension** to the ACMA Open Cabling competency and provides the student with the training, skills and knowledge required to correctly install and terminate Category 5 and Optical Fibre cabling.

Course Content

- ✓ NTC021 - Optical Fibre (16 hours)
- ✓ NTC 019 - Category 5 (16 hours)
- ✓ NTC020—Coaxial Cabling (8 hours)

Course Requirements

Students should satisfy the following course pre-requisites for enrolment:

- ✓ Current Unrestricted Electricians Licence or
- ✓ ACMA Open Cabling Registration or
- ✓ 6 months aggregated verified experience in cabling (supported by a letter from the employer)

Evidence of either of the above will be required upon your registration with the Cabler Registry

Course Duration

40 Hours - As a result of many commonalities between the modules when combined into one course the outcomes can be achieved in 40 hours.

Course Materials

Students are required to obtain the following materials prior to course commencement:

- ✓ Communications Cabling Manual - available from www.commsalliance.com.au/documents/standards or SAI Global, phone 131242
- ✓ (Krone) Terminating Tool and general cable stripping tools

Cabler Registration

Upon successful course completion you will be provided with a Statement of Completion issued by the College.

The Statement of Completion will then allow students who wish to enter the telecommunications cabling industry to register with one or more of the following cabler registrars:

- ✓ **ACRS** – Australian Cabler Registration Service, phone 1300 667 771
- ✓ **ASIAL** – Australian Security Industry Association Ltd, phone (02) 9906 4780
- ✓ **FPA Australia** – Fire Protection Association Australia, phone (03) 9890 1544
- ✓ **BICSI** – Registered Cablers Australia Pty Ltd (BRCA), 1800 306 444
- ✓ **TITAB** – Australian Cabler Registry Services (TITAB ACRS), phone (03) 9349 4955

Skills Recognition

Our skills recognition process benefits students, who have achieved prior training skills or knowledge and applies to Skills Recognition, Recognition of Prior Learning (RPL), Credit Transfer, Advanced Study or Exemption.

If you believe you are entitled to any of the abovementioned we encourage you to fill out the Application Form for Skills Recognition, which is available from our administration team. Your application will be assessed on an individual basis.

How to Enrol

Complete the course registration form overleaf and return the document to the College of Electrical Training together with your payment of course fees.

In order to guarantee your booking for any course your payment and registration must be completed. Under no circumstances will registration without payment entitle you to a position.

Course Fees

Subsidised course fees may be available to persons currently working in the building and construction industry or unemployed persons who have worked in that trade in the previous 6 months.

The fee subsidy does not apply to persons working in the security and mining industries and Government employees.

Please refer to "Course Fees" overleaf for current course fees.

To be eligible for subsidised course fees students must sign the 'Fee Subsidy Declaration' on the course registration form and a completed Work History Form.

Both the Work History Form and a Credit Card Authority Form for payment can be downloaded from our website.

This course is only run on demand so therefore it will be subject to numbers. Please complete and return the registration form to register your interest, once we have enough people interested in the course we will schedule a date.
