- ✓ Drugs and alcohol
- ✓ Amenities
- ✓ OHS committees and representatives
- ✓ Personal protective equipment
- ✓ Fire safety equipment
- ✓ Manual handling

## **Course Duration**

1 hour (Complete online in your own time)

## **Card Issue**

Upon successful course completion and with all documentation returned to the College, students are issued with a White Card provided by Worksafe. Each card is numbered and a register of the card details is held by CET.

From the 1st of September 2009 White Card will replace the WA Blue Card. Anyone who has been issued with a blue card that expires 2009 is covered indefinitely. They will no longer have to renew it nor re-do the training course every 3 years.

The White Card does not have an expiry date and is nationally recognised as proof of having attended a Safety Awareness Training course addressing safety matters specific to the Australian Building and Construction industry. It is also recognised nationally.

If the card holder has not worked in the industry for 2 years or longer then they will be required to re-do the Work Safely in the Construction Industry course .

## **Course Requirements**

Persons undertaking this course must reside in Western Australia.

## **Course Delivery**

CET Instructors with extensive industry and teaching experience deliver this exciting Work Safely in the Construction Industry course.

## **How to Enrol**

Please register online at our website [www.cet.asn.au](http://www.cet.asn.au)

## **Optional Hearing Test**

In addition to the Work Safely in the Construction Industry course some building and construction employers require personnel to undergo a hearing test.

Electrical Group Training's (EGT's) centre can provide qualified and recognised hearing tests for all persons employed in the Building and Construction Industry. For further information, please contact EGT on (08) 9240 4877.

## Course Fees

Subsidised course fees may be available to persons currently working in the Building and Construction Industry or unemployed persons who have worked in that trade in the previous 6 months.

The fee subsidy does not apply to persons working in the security and mining industries and Government employees.

To be eligible for subsidised course fees students must complete and sign the 'Fee Subsidy Declaration' on the course registration form and submit a Work History Form.

## Cancellation Policy

8 days or more prior to course commencement      100% fee refund

2 to 7 days prior to course commencement      90% fee refund

1 day or less prior to course commencement      Nil fee refund
