

Student Complaint, Grievance Resolution and Appeals Procedures

1. PURPOSE SCOPE AND COMPLIANCE

Purpose

The College of Electrical Training (CET) is committed to providing students with training to the highest possible quality. However, from time to time, students may raise concerns, complaints or grievances about matters or issues relating to their experiences at one of our campuses.

The CET recognises that effective communication is of paramount importance when attempting to resolve difficulties experienced by students. We are therefore committed to a culture of openness, fairness and continuous improvement, which includes being open to criticism.

To achieve a satisfactory outcome to all concerned the CET is committed to following transparent, fair and timely procedures for addressing complaints, grievances and appeals, conducted in accordance with principles of natural justice, ensuring that all parties may be treated equally and fairly.

Scope

These guidelines apply to all currently enrolled Publicly Funded and Fee for Service students, regardless of the location of the campus at which the grievance has arisen, or the mode in which they study. It provides a mechanism for addressing grievances arising out of any kind of situation or process affecting the student, whether training or non-training related. Students can make a complaint about any aspect of our services including training, training staff, support services, advice and guidance, college facilities and third parties providing training on behalf of the CET. *(Staff please note; there is a separate grievance procedure for employees - managed by the Group HR Manager.)*

Compliance

The CET's procedures for handling grievances and complaints comply with the Standards for Registered Training Organisations (RTOs) 2015, Standards Australia's Guide to Prevention, Handling and Resolution of Disputes (AS4608 -2004), Customer Satisfaction – Guidelines for Complaints Handling in Organisations (AS ISO 10002-2006) and with the requirements of the Education Services for Overseas Students Amendment (Re-registration of Providers and Other Measures) Act 2010

Respondent: A staff member who is either the subject of a complaint, or who is nominated by the General or Campus Manager to respond to a complaint, and who is approached by a student for an informal resolution of that complaint.

Responsible Officer: the General Manager, Campus Manager, Training Manager or the Administration Manager who takes responsibility for the area related to the complaint.

3. PROCEDURES

Informal Complaint

The CET encourages students, wherever possible, to resolve concerns or difficulties directly with the person(s) concerned. If the complaint cannot be resolved informally, the complainant should, where appropriate, seek to have the complaint resolved through a mediated discussion. Within each campus the Training Manager or Senior Instructor are available to assist students at this level.

If the complaint is not likely to be resolved through a mediated discussion, or if the complainant does not wish to pursue mediation, he/she should consider submitting a formal grievance.

Formal Grievance

Where a grievance is not resolved as an informal complaint, the student may take the following steps to have the matter formally resolved by the CET.

- The formal grievance procedure begins when the written complaint at annex A is submitted to the Training Manager. Your application must include your name, class, student number and contact details;
- Set out the nature of your grievance, any specific issues involved and the form of resolution that you are seeking;
- Your grievance must be lodged with the Training Manager within seven (7) days of the decision, act or omission about which you are complaining or of receiving your mark for an assessment task or a final result or grade awarded for a subject.

The Training Manager along with the responsible officer shall submit a Grievance Improvement Log (refer process chart [Course Management, Complaints, Grievance Resolutions and Appeals, Formal Complaints](#)) and further investigate the complaint. The Training Manager, will, as necessary, meet with the student and respondent. The student will be informed in writing of the decision, normally within 14 days.

4. APPEALS

Should a dispute arise that cannot be resolved to the students satisfaction by the Training Manager, the student must place his/her complaint in writing to the Campus Manager, within seven days of receiving a response from the Training Manager.

In the case of dispute, the Campus Manager will make a determination.

Should the applicant be dissatisfied with that decision, written appeal of the decision can be made to the General Manager and if required it may be presented to the CET Board of Management. Where the complainant is still dissatisfied a mutually agreed independent person will deal with the matter and negotiate with the College to resolve the issue.

Should a resolution which is mutually accepted by both parties not be reached, final arbitration in the dispute resolution process will be undertaken by the Manager 'Electrical, Utilities & Public Administration Training Council Inc.'

The student will be given a written statement of the appeal outcomes, including the reasons for the decisions.

Where more than 60 calendar days are required to process a complaint or appeal, the complainant or appellant will be advised in writing the reasons why. Regular review of the status of the complaint or appeal will be made by the Campus Manager. If the complaint is against the Campus Manager, a management proxy will be appointed.
