Future Skills WA
Training for tomorrow’s opportunities

nationally recognised

training

national electrical and communications association
COURSE OVERVIEW

The qualification is designed to provide participants with industry specific training to gain skills, knowledge and behaviours to enable transition into an indentured apprenticeship in the Electrotechnology Industry. The qualification covers competencies fulfilling the requirements of a work entry program and provides grounding in safety, opportunity to develop high level individual and team communication skills and the undertaking of work placement.

COURSE CONTENT

WORK PLACEMENT UNIT(S) OF COMPETENCY

- AW868 Pre-apprenticeship work placement coordination 3 (Mid-point)
- AW869 Pre-apprenticeship work placement coordination 4 (Completed)

COURSE DURATION

This qualification is typically delivered full-time over a period of 16 weeks.

COURSE REQUIREMENTS

Applicants must possess an Electrician’s Training Licence, details of which are available at www.commerce.wa.gov.au/energysafety/electrical-licensing-forms and have sufficient literacy, numeracy and visual interpretation skills to successfully complete the course. All applicants are required to undertake a literacy and numeracy pre-selection test administered by the College. The test is of a year 11-12 level and is specific to transposition of formula, trigonometric ratio and algebra. Candidates who have not yet completed year 10 studies are welcome to sit the pre-selection test.

Applicants meeting the course requirements will be invited to attend an interview at the College, during which, suitability for course enrolment will be assessed.

All Core Units of Competency must be achieved, all Elective Units of Competency must be achieved.

Participants are required to undertake a minimum number of work placement hours calculated on the following ratio: for every two (2) student curriculum hours for the qualification there should be a minimum of one (1) hour work placement.

Fully enclosed shoes must be worn at all times in CET buildings. Safety boots/shoes must be worn when working in the workshop. Refer to the Fabricate, assemble on the College website www.cet.asn.au for details on dress code.

Difficulties with specific elements of this qualification can be addressed by undertaking pre-course work. Assistance can be gained from the learning support and resources that are available to you.

COURSE MATERIALS

Applicants are required to obtain the following resources prior to course commencement (Available at both CET Campuses):

- Electrotechnology Practice, 3rd Edition, J. Hampson & S. Hanssen;
- AS/NZS 3000 (latest edition); and

CERTIFICATION

Graduates will be issued with a UEE22011 Certificate II in Electrotechnology (Career Start) and a Statement of Attainment listing each Unit of Competency completed under this qualification.

SKILLS AND NATIONAL RECOGNITION

The CET Skills Recognition process benefits applicants who have undergone prior learning and recognises competencies obtained outside a formal educational or training environment, gained through life or work experience. Competencies currently held by applicants will be formally assessed against each applicable Unit of Competency and maybe recognised regardless of how, when and where they were achieved. Skills Recognition is an assessment process and a cost recovery charge will apply.

CET accepts and provides credit to learners for units of competency and/ or modules unless licensing or regulatory requirements prevent this, where these are evidenced by either AQF certification documentation issued by any other RTO or AQF authorised issuing organisation or an authenticated VET transcript issued by the Registrar.

If you believe you are entitled to Skills Recognition, we encourage you to complete an application form available from our administration team.

FEES / AUSTUDY

The College of Electrical Training attracts the same financial support from the State Government as any other Registered Training Organisation ensuring there is no cost disadvantage to applicants.

Fee reductions are available for applicants who are able to provide an approved concession on enrolment.

Applicants enrolled in full-time courses are eligible to apply for means-tested Department of Training and Workforce Development, Employment and Workplace Relations Allowances.

Applications for allowances can be made through Centrelink. We will supply supporting documentation on request.

Concession Fees

Applicants meeting one or more of the following criteria are eligible for concession fees:

- Persons who have reached the age of 15 but who have not attained the age of 21 years and are resident in Western Australia.
- Persons who are permanently and substantially incapacitated and unable to support themselves and their dependants.
- Persons enrolled in full-time courses whose combined family income is less than the prescribed limit.
