

Flowchart for Outsourced Programs skills assessments

REVIEW

- review of the assessment
- assessor does not take into consideration any evidence which was not collected during the original skills assessment
- only one Review is permitted in DEA and TA stage respectively
- only in relation to the nominated occupation in the original application

REASSESSMENT

- address skills gap
- a second assessment conducted after the applicant has provided additional evidence for undertaking the necessary extra training or employment experience identified in the original assessment
- only one Reassessment is permitted in DEA and TA stage respectively
- only in relation to the nominated occupation in the original application

RTO provides a payment Code for Review or Reassessment

Pay for Review or Reassessment through the TRA online portal

RTO reviews the application

unsuccessful

successful

RTO conducts reassessment

successful

unsuccessful

If successful at DEA after Review or Reassessment, then the applicant may proceed to TA deferring the RTO Recommendation to be sent to TRA after TA

- RTO Recommendation to be sent to TRA for Final Decision
- TRA provides final decision to RTO

If Unsuccessful after Review or Reassessment, then the applicant is required to submit a new application and start the assessment process from the beginning
